*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, D/S

DATE: 30 August 1954

FROM : S/CST

SUBJECT: DD/I Notice No. 50-100-2, 19 August 1954

1. Compliance with the provisions of subject notice will be simple insofar as reference to distances, weights and areas are concerned, but the fluctuations of values of various foreign currencies will cause difficulty.

2. It is recommended that D/A, S/TF, or some other responsible element of the Agency periodically publish foreign currency conversion rates, with appropriate time periods of coverage since much of our research extends back in time. This should bring about coherence and consistency in the use of money values in the Agency.
